## IT'S YOUR BIRTHDAY!

What do birthday candles and the Cleveland Browns have in common?  
They get blown out on the same day every year.

What did George Washington, Abraham Lincoln, and Christopher Columbus  
all have in common? They were all born on holidays.

### It's Your Birthday

Forget about the past, you can't change it.  
Forget about the future, you can't predict it.  
Forget about the present, I didn't get you one.

Birthdays are good for you. Statistics show that  
the people who have the most live the longest.

What do you give a nine-hundred-pound gorilla for its birthday?  
I don't know, but you better hope he likes it!

What did the birthday balloon say to the pin? "Hi, Buster."

It's my girlfriend's birthday tomorrow. Last week I asked her what  
she wanted as a present. "Oh, I don't know, she said. Just give  
me something with diamonds." That's why I'm giving her a pack of  
playing cards.
